Get practice sharing paid leave information with others in need. Stand up for working families. Stay connected to our growing movement.

About the webinar:

April 17: California Paid Family Leave 101. (2 CEUs/CERPs). Learn the impact of paid leave policies on our health, economic security, and other determinants of wellbeing that help families thrive. Gain a strong foundation in California Paid Family Leave and adjacent laws including job protection, pregnancy disability, lactation accommodations, paid sick days, and more.

April 22: Accessing Paid Leave NOW. (2 CEUs/CERPs). Local, state, and federal policies around paid leave are rapidly changing - review the latest requirements and protections when taking paid leave. Get hands-on practice educating patients, clients, co-workers, and community members about their rights using our new Paid Family Leave & Paid Sick Days Training Toolkit in Spanish and English.

May 5: Achieving Equity in Paid Leave. (2 CEUs/CERPs). Take the next step in building confidence as an effective advocate and community educator. Practice speaking and sharing resources and tools that help workers access paid leave. We will also cover paid leave for specific communities, such as undocumented workers and issues related to public charge. Learn to apply best practices in paid leave outreach and education. Participants will also be invited to connect to a statewide network for regular updates and continued support.
